

Copyright Responsibility Disclaimer

Redplay Motion Studio

At Redplay Motion Studio, We provide high-quality customized Visual Display Unit (VDU) to help you share your personal and professional messages in the most creative way. While we assist in creating and delivering the VDU's, All content (videos, music, images, or any other media) that you choose to upload, replace, or use in the VDU after purchase is solely your responsibility.

Redplay Motion Studio:

- Does not claim ownership of the content you upload.
- Does not verify or guarantee copyright clearance for any customer-provided content.
- Shall not be held liable for any copyright infringement, intellectual property violation, or legal issues arising from the content used or uploaded by the customer.

By purchasing and using our Visual Display Units (VDU's), you acknowledge and agree that:

- You are the rightful owner of the content you upload, OR you have obtained the necessary permissions and licenses to use it.
- You will not upload or request us to upload content that infringes on third-party rights.
- Any disputes, penalties, or legal actions related to the uploaded content are the sole responsibility of the customer.

We highly encourage our customers to use only original or licensed content in the Visual Display Unit (VDU) to avoid legal issues.

Thank you for understanding and helping us maintain a fair and creative environment.
